I told you I'm fine tonight, staying good
Springs always been here, I will sleep in her eyes
Come back to me like you used to do
Be what you be, I will roll you to moon

I forgot the hour
I don't wanna know 'bout the hour
I forgot to shower
□□□ □□□ □□□

You don't have to be
You don't have to be the anything you see
Tryin' not to be
Tryin' not to be that something in this sea

Come back to me like you used to
Now I could see what a life is about
I told you I'm fine tonight, staying good
Springs always been here, I will sleep in her eyes

Ooh-hoo-hoo-hoo-ooh
I see you come back to me
Ooh-hoo-hoo-hoo-ooh
I see you come back to me

You are my pain, divine, divine
You are my pain, divine, divine
Get, get, get to the
Divine, divine, so fine (so fine)
I see you come back to me

I forgot the hour
I don't wanna know 'bout the hour
I forgot to shower
□□□ □□□ □□□

You don't have to be
You don't have to be the anything you see
Tryin' not to be
Tryin' not to be that something in this sea

I told you I'm fine tonight, staying good
Springs always been here, I will sleep in her eyes

Ooh-hoo-hoo-hoo-ooh
I see you come back to me

Ooh-hoo-hoo-hoo-oooh
I see you come back to me

You are my pain, divine, divine
You are my pain, divine, divine
Get, get, get to the
Divine, divine, so fine (so fine)
I see you come back to me

You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
Get, get, get

You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine

You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
Get, get, get

You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
You are my pain, divine, divine
